Dear Written Examination Test Site Coordinator:

Welcome to the Written Examination segment of the National Commission for the Certification of Crane Operators (NCCCO) national crane operator certification program. NCCCO is a nonprofit organization founded in 1995 to establish a fair and independent evaluation of crane operator knowledge and skills. Key to this industry-led effort has been the development of the CCO Written and Practical Examinations.

This nationally recognized program is the culmination of many years' hard work by experts from the varied industries and groups that use cranes, including construction, steel erection, operating engineers, utilities, crane rental, petrochemicals, pulp and paper, etc. NCCCO task forces were staffed by experts from all aspects of the crane industry—crane operators, training directors, managers, supervisors, manufacturers—who together represent many thousands of hours of crane operating experience. These volunteers gave freely of their time and expertise with the goal of improving the safety of all whose work brings them into contact with cranes and lifting equipment.

Until recently crane operator certification has been voluntary unless required by local jurisdictions or specific employers. However, in August 2010, the federal Occupational Safety and Health Administration (OSHA) enacted new national standards for cranes and derricks used in construction under 29 CFR 1926 Subpart CC. These new rules require that operators of most cranes above 2,000 lb. capacity when used in construction need to be either certified by an accredited crane operator testing organization such as NCCCO or qualified through an audited employer program. Section 1926.1427 of the new rule describes crane operator certification/qualification requirements. Option 1, which is anticipated to be the most commonly used, requires operators to be certified by a nationally accredited crane operator testing organization that tests operators through written and practical testing. Obtaining CCO certification from NCCCO meets all the requirements set forth by the new OSHA rule.

To ensure that CCO examinations are—and remain—a valid measurement of a crane operator's proficiency, NCCCO used its exam development expertise and guided its task forces in establishing key elements of the program, including identifying essential skills, selecting tasks, standardizing test conditions, developing the scoring process, establishing reliability among tests, and creating flexible application and scheduling procedures. NCCCO continually analyzes the performance of CCO exams and reports to NCCCO's Exam Management Committees.

This handbook has been developed to provide you, the Written Examination Test Site Coordinator, with all the information you need to prepare for and administer successful CCO Written Examinations. As the Written Examination Test Site Coordinator, you play a critical role in the smooth administration of CCO exams on test day. It is vitally important that you study this entire handbook carefully before making any preparations for a written test administration. The validity and reliability of the test you are planning to administer depends on your following the requirements described in this handbook precisely. Failure to do so could result in your test being declared invalid and the need to start over.

NCCCO recognizes the commitment that you have made and the resources that you will allocate to hosting CCO Written Examinations. We want your experience to be a positive and successful one, and we stand ready to assist you in reaching that goal. If, after reading this handbook, there is anything you do not fully understand or need clarifying, please call NCCCO at 703-560-2391 or email info@nccco.org. NCCCO staff will guide you through any aspects of the Written Examination administration process that you would like explained in detail.

Hosting and Administering CCO Written Examinations

CRITERIA FOR TEST SITES

To be an approved NCCCO Test Site, facilities must meet all the criteria for hosting a Written Examination described herein. If the facility meets the stated criteria, NCCCO will provide all necessary information to allow tests to be scheduled.

The examination room should be set up prior to the Chief Examiner's arrival. It must provide adequate separation of candidates, as well as sufficient space for taking the examination. In addition, administration sites must meet the following requirements:

- There must be only one point of entry and exit; candidates must enter and exit through the same door
- The testing room must be an indoor facility suitable for the exam candidates, to include:
 - Quiet, well-lit, and properly ventilated, with a comfortable temperature and free from distractions to candidates
 - Accessible to candidates with special needs
 - A head table or podium at the front of the room
 - A registration table
 - Easy access to unlocked rest rooms stocked with sufficient supplies (no porta-potties)
 - Easy access to a water fountain
 - Large signs prominently posted making candidates aware of the location of the test
 - A clock visible to all candidates, preferably hanging on the wall at the front of the room so that candidates can see it without turning their heads
- The examination room should be set up in classroom style. There must be sufficient tables and space for the number of candidates registered. Make certain that the number of candidates can be seated according to the following requirements:
 - **6-foot tables:** No more than two candidates per table
 - **8-foot tables:** No more than three candidates per table
 - **Round tables:** No more than one candidate per table; these may be used, but are often insufficient due to the requirement of only one candidate per table
 - **Desks:** No more than one candidate per desk; desks may be used only if their surface area is large

enough to hold both the test booklet and answer sheet, and they must accommodate both left-handed and right-handed candidates with equal comfort

- The tables must have smooth writing surfaces and adequate space to accommodate examination booklets and answer sheets without crowding.
- There must be an adequate supply of sharpened #2 pencils for candidates to use on test day.
- The chairs must be comfortable, with an appropriate height in relation to the tables used. Chairs with backs are preferable to stools or benches without backs.
- Rest rooms must be located near the examination room(s) and must be easy to find. Post directional signs if necessary.
- Room acoustics must be good. If the room is large, make sure that a microphone is available and that it works well. Candidates in the back of the room must be able to hear verbal instructions clearly.
- There must be adequate space for Proctors to observe candidates easily.
- Parking must be sufficient to accommodate the number of vehicles expected.

ROLES AND RESPONSIBILITIES

Test Site Coordinator

The person designated by the host company or organization to liaise with NCCCO on test administration matters is known as the *Test Site Coordinator* (TSC).

The Test Site Coordinator is responsible for:

- Submitting all requested information to NCCCO in a timely fashion on the Written Test Administration Request Form and Test Site Coordinator Summary Form; Written Test Administration Requests may also be submitted online at: www.nccco.org/wtar
- Preparing a testing room in accordance with the general directions listed above under Criteria for Test Sites
- Liaising with the Chief Examiner and NCCCO in all aspects of Test Site preparation and administration
- Ensuring candidate applications are complete and submitted in accordance with stated deadlines
- Remaining on site throughout each test administration (or a designated representative)

- Signing the Test Site Coordinator Agreement Form
- Providing an email address and a cell phone number to NCCCO with the first paperwork submission (this may not be a shared email address)

NCCCO periodically emails Information Bulletins to all Test Site Coordinators containing clarifications and updated policies. To remain in good standing, Test Site Coordinators are required to abide by the information contained therein.

Chief Examiner

NCCCO has prepared strict rules and procedures for exam administration. Under these rules, the *Chief Examiner* is responsible for the administration and supervision of the examination site and staff, including the care and custody of examination materials. One Chief Examiner for each test room is required to administer the Written Exam.

The primary responsibilities of a Chief Examiner are:

- Ensuring that the security of the examination and related materials is not compromised
- Procuring adequate staff based upon registration count
- Training Proctors
- Ensuring that candidates have all of the proper materials and are following all directions for completing the forms and answer sheets accurately
- Ensuring that candidates neither give nor receive assistance in answering questions on the examination
- Securing all examination materials from time of arrival to final shipping
- Accounting for examination materials
- Supervising examination day procedures
- Conducting examinations
- Maintaining professional standards of testing practices
- Following up with necessary reports and shipping of examination materials

Proctor

Proctors assist the Chief Examiner in the administration of the exam. Proctors are under the direction of the Chief Examiner during the test administration. Proctors may not be candidates waiting to take the Written Exam.

The primary responsibilities of Proctors are:

- Assisting with set up of room before the examination
- Assisting with admittance and identification check of candidates
- Distributing examination materials
- Monitoring the examination room and observing candidate behavior
- Collecting examination materials and checking out candidates
- Assisting with maintaining examination security
- Adhering to examination time limits
- Assisting with general cleanup at the close of the examination

Chief Examiner and Proctor Eligibility

NCCCO requires all personnel who are authorized access to CCO examinations to sign an Affidavit of Non-Disclosure. Copies of these affidavits are kept on file. To avoid conflict of interest and possible breach of security, individuals who will take the examination(s) in the future may not serve as either Chief Examiner or Proctor in the administration of CCO examinations.

RECERTIFICATION

Operators, crane inspectors, and lift directors certified by NCCCO must recertify every five years by taking and passing a Written Recertification Examination.

Although Written Recertification Examinations have shorter time limits than Written Examinations for first-time candidates, they can be scheduled at regular test administrations.

Recertification candidates count towards a Test Site's overall candidate total for the purpose of avoiding site fees (minimum 15 candidates); see Applying to Host an CCO Written Examination for details.

For more information about recertification, see the appropriate Candidate Handbook or contact NCCCO at 703-560-2391 or via email at info@nccco.org.

TESTING ACCOMMODATIONS

NCCCO provides reasonable accommodations in accordance with the Americans with Disabilities Act (ADA) for individuals with documented disabilities who demonstrate a need for accommodation. In accordance

with the Americans with Disabilities Act, NCCCO does not discriminate against individuals with disabilities in providing access to its examination program.

The Americans with Disabilities Act of 1990 and accompanying regulations define a person with a disability as someone with a physical or mental impairment that substantially limits one or more major life activities, such as walking, seeing, hearing, or learning.

The purpose of accommodations is to provide equal access to CCO examinations. Accommodations match up with the identified functional limitation so that the area of impairment is relieved with an auxiliary aid or an adjustment to the testing procedure. *Functional limitation* refers to the aspects of a disability that interfere with an individual's ability to function; that is, what someone cannot do on a regular and continuing basis as a result of the disability.

The purpose of documentation is to validate that an applicant for test accommodations is covered under the ADA as a disabled individual. Comprehensive information by a qualified professional is necessary to allow NCCCO to understand the nature and extent of the applicant's disability and the resulting functional impairment that limits access to its examinations. Documentation also allows NCCCO to provide appropriate accommodations for such a disability.

NCCCO will provide, without cost to the candidate, reasonable accommodations designed to facilitate equal access to its certifying examinations for those candidates whose documentation supports such a determination. In no case will accommodations be provided that would compromise the examination's ability to test accurately the skills and knowledge it professes to measure. Similarly, no auxiliary aid or service will be provided that would fundamentally alter the examination.

NCCCO strictly adheres to a policy of confidentiality and does not disclose names of applicants with disabilities or information concerning the application or accompanying documentation. Examinations administered with accommodations are not identified to third-party score recipients and are scored no differently than examinations of other applicants.

Arrangements for persons with disabilities will be provided upon approval. All requests for accommodations must be submitted by the applicant. To apply for accom-

modations, please download the NCCCO Application for Test Accommodations and the NCCCO Guidelines for Documenting a Request for Test Accommodations from the NCCCO website. For further information, see the complete NCCCO Testing Accommodations Policy at: www.nccco.org/accommodations.

If you have any questions or need clarification, please contact NCCCO at (703) 560-2391.

The confirmation letter will include instructions on how to proceed with the candidate applications and a test administration number that must be included on candidate applications for that Test Site and secured test date.

Candidates also have the option of taking their Written Exams at approximately 300 PSI computer-based testing (CBT) facilities around the country. See the appropriate candidate handbook(s) for CBT application procedures and fees.

All application materials must be received at NCCCO's office according to the sample schedule outlined above.

Late Applications

Applications received after the application deadlines, but at least four business days prior to the exam administration date are subject to a \$50 late fee. This fee must be included with the late application(s).

For example, for a test administration on a Saturday, late applications that arrive at NCCCO's testing office by 5:00 p.m. (ET) on the Monday evening prior to the test can be accepted. Candidate applications that arrive after that time cannot be accepted.

Walk-in candidates cannot be accepted under any circumstances.

RETEST POLICY

If a candidate fails a Written Exam, he/she may retake it at a paper/pencil test site or a computer-based test site.

LENGTH OF TEST DAY

CCO written exams are carefully designed to provide a reliable and valid assessment of a candidate's knowledge and skills. Time limits are carefully determined for each written exam to allow enough time for a prepared candidate to complete the exam and to provide for an efficient and successful administration of all exams to scheduled candidates on testing day.

To provide each candidate with a fair and standardized administration of the written examination(s), and to ensure the reliability and validity of the written examinations is maintained, it is not recommended that a candidate schedule written exams totaling more than six hours of testing time on the same day.

RESCHEDULING, CANCELLATIONS, AND WITHDRAWALS

Should a candidate be unable to sit for the examination, NCCCO must receive notification in writing no later than seven business days prior to the examination date. Candidate fees will be held up to one year. When the candidate reschedules, at that time he/she will need to pay an additional \$25 rescheduling fee. Candidates who wish to reschedule their examinations **MUST** notify NCCCO and

submit the necessary documentation and fees to NCCCO by the deadline for the rescheduled test date.

Candidates withdrawing or canceling after the deadline or not sitting for the examination will forfeit all application fees and will **NOT** receive a refund.

Emergency Cancellations or Withdrawals

ONLY the following situations will be accepted as grounds for emergency cancellations or withdrawals by a candidate:

- **Called to work**—supporting documentation required: *letter from employer*
- **Candidate illness**—supporting documentation required: *doctor's note*
- **Family death**—supporting documentation required: *death certificate or obituary notice*

Requests for medical and personal emergency withdrawals are handled by NCCCO's Testing Services Department. Candidates must write a letter to NCCCO describing their situation, including their full name, address, and Candidate ID/CCO Certification number, along with the scheduled test date, site number, and supporting documentation indicated above.

NCCCO MUST receive this written notification within seven business days after the scheduled examination date or the candidate will forfeit all application fees.

Candidates will be allowed to reschedule for a future examination administration up to one year from the emergency cancellation or withdrawal.

Candidates will NOT receive a refund if they decide they no longer wish to take the test.

SCORE REPORTS

All candidates receive a report of their performance from NCCCO within approximately 12 business days after the examination administration. Written exam score reports include a strength and weakness report by content domain.

Test Site Coordinators may request Pass/Fail Score Reports and/or Detailed Score Reports on candidates taking the Written Examination at their Test Site. The appropriate form must be filled out and returned to NCCCO along with a \$50 processing fee. Note that requests for Detailed

Score Reports must include the release signature of each candidate.

Report requests will be processed upon receipt at NCCCO and provided to Test Site Coordinators after the exams are scored (normally within 10 business days of the exam).

PRACTICAL EXAMINATION

Operator candidates must pass both a Written Exam and a Practical Exam for the designation(s) they wish to be certified in. Candidates have 12 months after they pass their first Exam (Written or Practical) in which to take the corresponding Written or Practical Exam. Candidates may take their Written and Practical Exams in any order. For example, a candidate passing the Written Exams (Core + Specialty) for the Telescopic Boom Cranes—Swing Cab (TLL) designation in January 2011 has until the end of January 2012 to pass the Telescopic Boom Cranes—Swing Cab (TLL) Practical Exam. Crane Inspector candidates do not take a practical exam, so this policy applies to all Crane Inspector written exams.

Any tests passed within a 12-month period count towards certification. For example, a candidate who passes the Written Core Exam in January 2011 and the Practical Exam in June 2011 but does not pass the corresponding Written Specialty Exam until February 2012 will then be required to retake (and pass) the Written Core Exam. The Practical Exam would count toward certification until the end of June 2012.

Candidates for certification or recertification may petition for an extension of NCCCO's standard timeline(s). NCCCO staff shall have the discretion to make the initial determination of whether a requested extension should be granted. Petitions for an extension of time are generally denied absent a showing of extraordinary circumstances. Denials of such petitions may be appealed to the Appeals Committee.

For logistical reasons, and in fairness to each candidate, it is not recommended that a candidate schedule written exams totaling more than six hours of testing time on the same day.

**Since some candidates may take only a Mobile Specialty exam and not the Mobile Core, Tower Crane Operator, Overhead Crane Operator, Articulating Crane Operator, or Rigger exams, the Chief Examiner is required to read the instructions at the start of the Mobile Core exam, at the start of the first Mobile Specialty exam, before the start of the third Mobile Specialty exam (if lunch is scheduled), and before the start of the final Tower Crane Operator, Overhead Crane Operator, or Rigger exam. For details on administering Rigger Exams, see the Rigger Test Site Coordinator Handbook.*

Test Site Coordinator Agreement FOR CCO WRITTEN EXAMINATIONS

Thank you for your application to be a Test Site Coordinator for CCO Written Examinations. Test Site Coordinators play a critical role in the CCO examination process, from the initial site application, through the collection and submission of candidate applications to NCCCO, to serving as liaison with the Examiner on test day. To ensure a smooth administration of CCO certification exams, it is critical that Test Site Coordinators fulfill their duties in a competent and professional manner. Please review the following Agreement and sign below where indicated, acknowledging that you have read and understood this Agreement and that, should your application be successful, you agree to abide by all of its provisions. NOTE: If your employment or affiliation changes from the company/organization listed below, you must complete and execute this form anew.

As a Test Site Coordinator for CCO Written Examinations, I certify and acknowledge that:

1. I will not disclose (nor cause to be disclosed) to anyone outside of NCCCO any confidential information I obtain as a result of my participation as a Test Site Coordinator in the CCO certification program, including, without limitation, the content of any examination.
2. I have read all applicable NCCCO policies and procedures, particularly those detailed in the Written Examination Test Site Coordinator Handbook, and I agree to be bound by the same.
3. I have read NCCCO's Criteria for Test Sites and agree to prepare all Test Sites in accordance with the general directions set forth therein.
4. I agree to provide authorized personnel with access to the Test Site on test day and to remain (or arrange for my designated representative(s) to remain) at the Test Site throughout the test administration.
5. If I arrange for one or more representatives to remain at the Test Site, I agree to explain the responsibilities and obligations of a Test Site Coordinator to such persons and to ensure their compliance therewith.
6. I understand that the site for which I am a Test Site Coordinator may be audited by NCCCO and that I am required to cooperate fully with the NCCCO Auditor.
7. I agree to meet all applicable deadlines for submitting the Written Examination Test Administration Request Forms and Test Site Coordinator Summary Forms.
8. I agree to ensure that all Candidate Applications I submit are complete and in compliance with stated NCCCO policies and procedures, including any required payments.
9. I agree to pay any and all fees that are due in a timely fashion, including any additional fees I may incur by submitting incomplete or late applications.
10. I agree not to make, and not to knowingly allow any other person to make, any material misrepresentation or omission of fact in any document I submit to NCCCO.
11. I am acting on my own behalf and/or on behalf of the company or organization set forth below, and I am not acting to circumvent a prior NCCCO suspension or revocation.
12. I agree to conduct my affairs with NCCCO, any Examiner, clients, and candidates in a professional manner, according to accepted codes of business conduct.

I understand that non-compliance with any of these provisions may result in the revocation or suspension of my status as a Test Site Coordinator for CCO Written Examinations. I agree that any questions or other matter arising under this agreement will be governed by and construed in accordance with the laws of the State of Virginia, without regard to choice of law rules. All actions and proceedings arising out of or relating directly or indirectly to this agreement will be filed and litigated exclusively in any state court or federal court located in the State of Virginia.
